Breaking Day, by Riding Lights Theatre Company. Highly recommended.

As day begins to break on Good Friday, the occupying Governor's tenuous grip on authority is slipping. It's festival time in Jerusalem but his wife is plagued with disturbing dreams and his Jewish servant clearly knows more than she should. Between the demands of the Sanhedrin and the murderous cries of the mob, the lines between personal and political in Pilate's house begin to blur. The power of the Capitol stands in tension with the will of the people, but the teacher at the centre of it all remains silent.

Filmed remotely in lockdown, *Breaking Day* is an innovative passion play, immersing us with stark intimacy in decisions that led to crucifixion.

See https://ridinglights.org/breaking-day/ for details, and https://vimeo.com/ondemand/breakingday to watch. (£10 per household)

Rev Anthony Oram writes: Extraordinary Funding Request

This is just for those who consider Cottesmore to be your home church. We are increasingly using the projector and screen in services and other events, the Big Quiz for example. But the current setup for the screen is cumbersome and quite time consuming, and, you might say, does get in the way of the view through to the back of the church. We have sought advice, and obtained a quote, from a professional audio/visual installation company who work mostly in churches who have shown how we could have a permanently installed screen that is deployable with a simple remote control and is completely invisible from the back of church when stowed away. Also, when deployed it would allow ample view through to the front of the church including choir stalls, organ, and a lot of the windows too. As this is an extraordinary installation, I'm asking for specific, extraordinary giving to cover the cost rather than use funds we would otherwise be using for the upkeep of the building and for the usual outreach and events the church hosts. The quote was for around £2,500 - please consider carefully if you could help to fund this installation with an extraordinary gift. Please make sure we know it's specifically for the screen when you give. PS If you want to know what sort of installation, we're thinking about then go to the church in Uppingham, who have exactly the same sort of screen installed as we want, by the same people. You won't be able to see it until it's lowered though...
